Guides us along

One-third of the way through the 1970's! When the Class of 1973 started at Fillmore High it seemed so far away. Now it's here - time really does fly! Each of you should consider that approximately 25% of your life is past. The struggles, the challenges, the joys and successes ahead will be many and each of these experiences will have its impact on you.

Your contributions to Fillmore High School have been significant and will be remembered. On behalf of the Board of Education and the entire staff, I wish each of you the very best future - and thanks for your contributions during 1972-1973.

Superintendent

BELOW: BOARD OF EDUCATION: Paul Palazzi, Evans Ward, Richard Hackney, Hank Carrillo, and John Wilson.

Quality is never an accident. It is always the result of high intention, sincere effort, intelligent direction and skillful execution.

This motto applies to everyone of us who want to achieve QUALITY results! It applies to anything you think of that is worth doing.

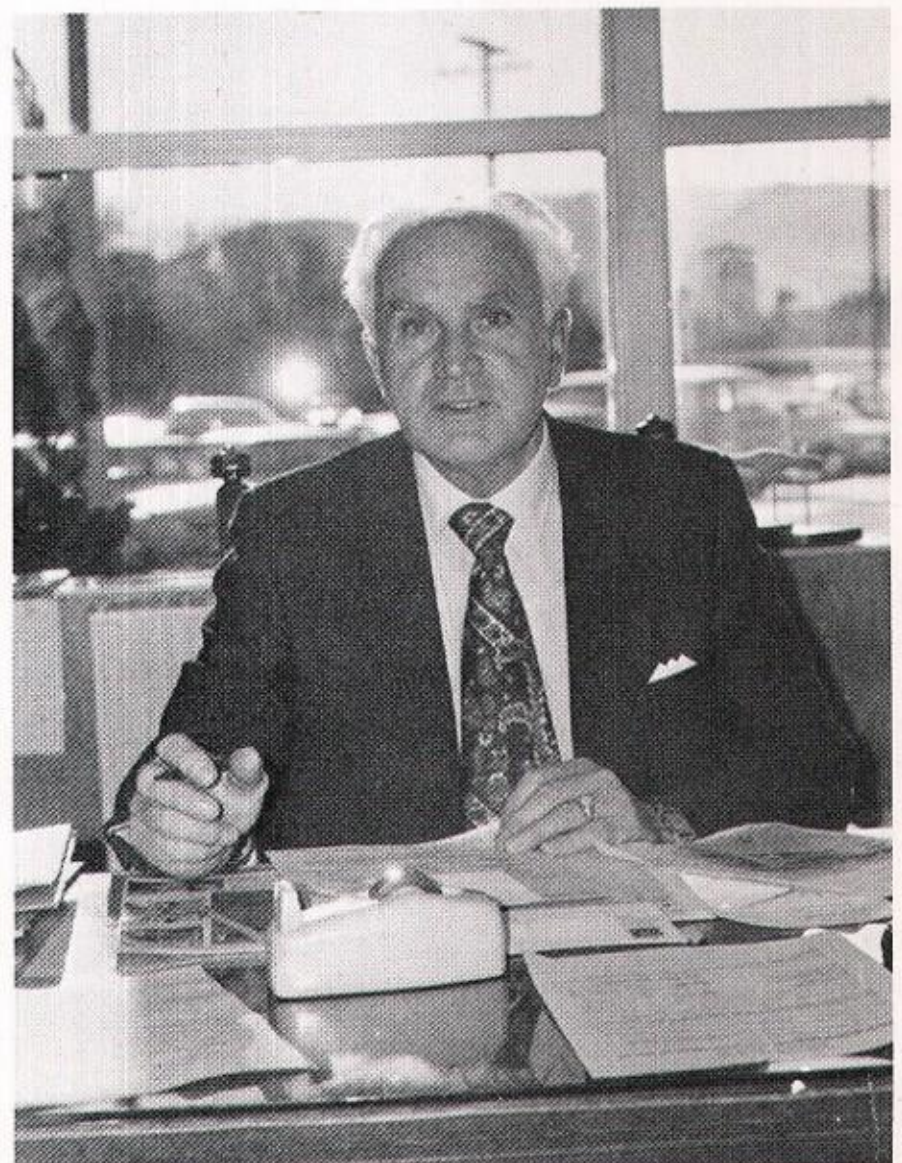

Sincere effort is necessary to back up our high intentions. High intention is an attitude we must have to do any quality job. We must really want to do our very best to produce quality results.

Intelligent direction is an essential ingredient in keeping our high intention and sincere effort on the "beam."

Skillful execution is the fourth link of the chain that must hold together to produce a quality result. No job can be measured for QUALITY unless it is completed. It's the follow-through that counts. From the germ of an idea to the completion of the goal we want to achieve.

Varsity Football

Takes the big one

The Varsity Football season was the most successful in Fillmore's history. They marched into the C.I.F. Finals as second place underdogs and went to the semi-finals, beating a tough Santa Yanez team and No. 1 rated L.A. Baptist. In the semi-finals the team could not stop the fired-up Paso Robles Bearcats.

It was a great defense-oriented team, however, with some great stars. Scott Blaylock, Tim Aguirre, Keith Gurrola, Dan Roatcap, Steve Duley, Mark Stevens, Jeff Ward and Chris Hobson made Offensive All-League. Tim Aguirre, Jeff Ward, Mike Harbert, Eric Mynatt, Keith Gurrola, Rick Ferrer, Marty Garcia, Greg Murray and Lesley Jones made Defensive All-League.

This was one of those great teams which could bounce back after defeat and get tough against great opponents.

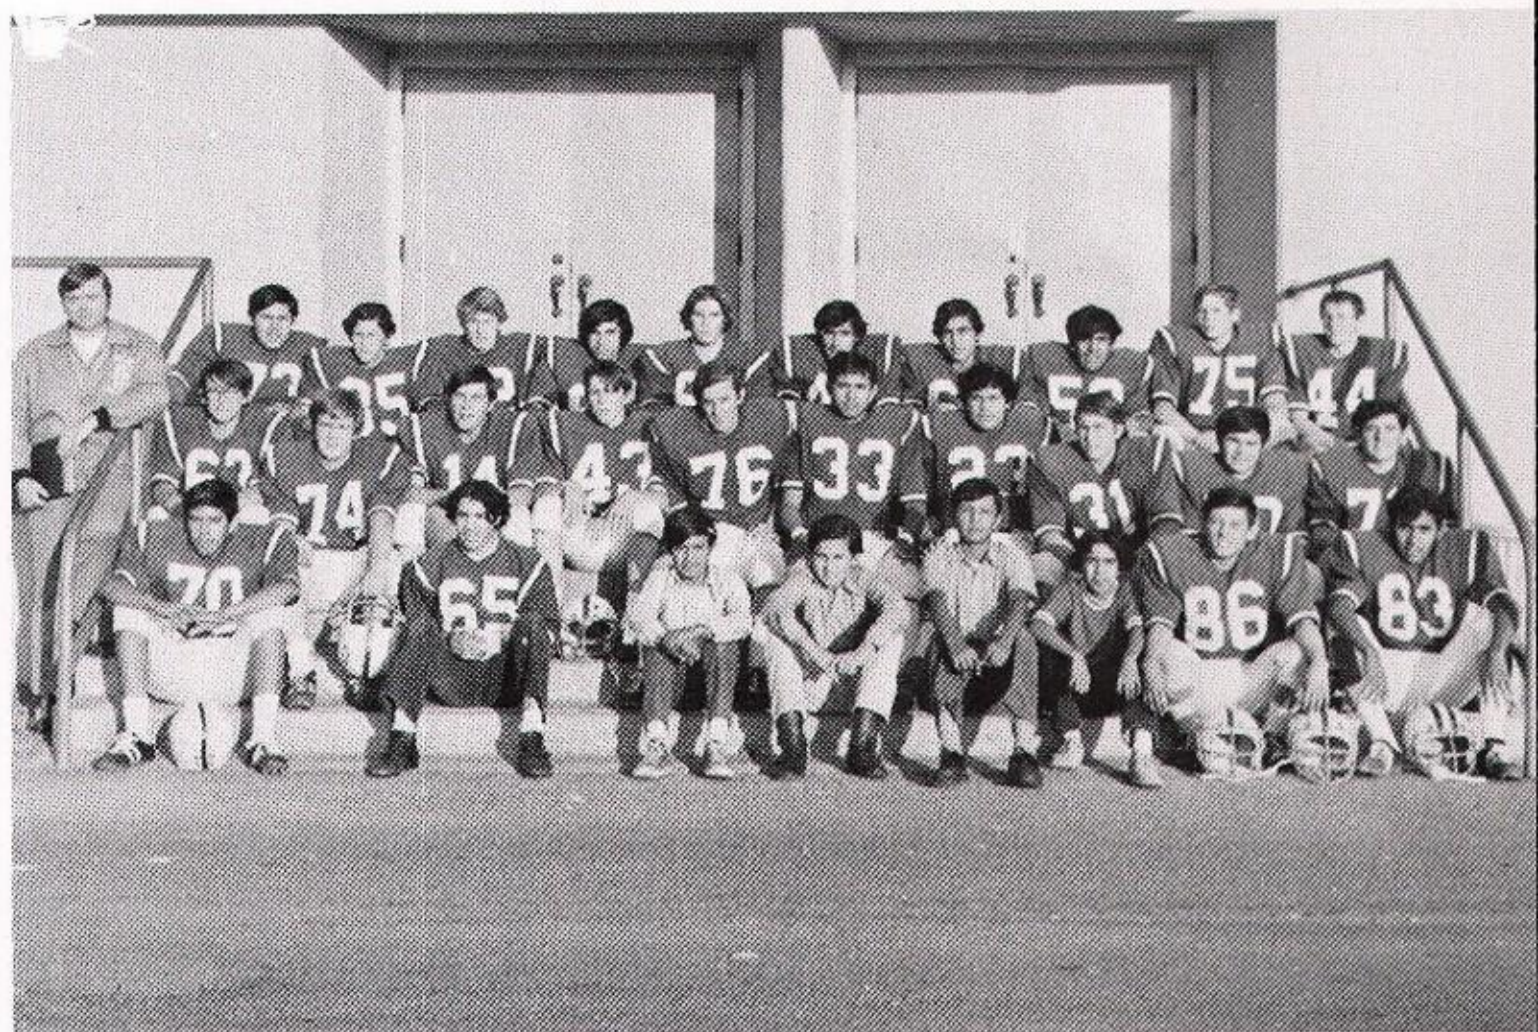

A great effort gave us a big win over Santa Paula, and then later in the year against L.A. Baptist. The picture tells the story. Gang tackles and great ball control are the final result.

VARSITY BASKETBALL

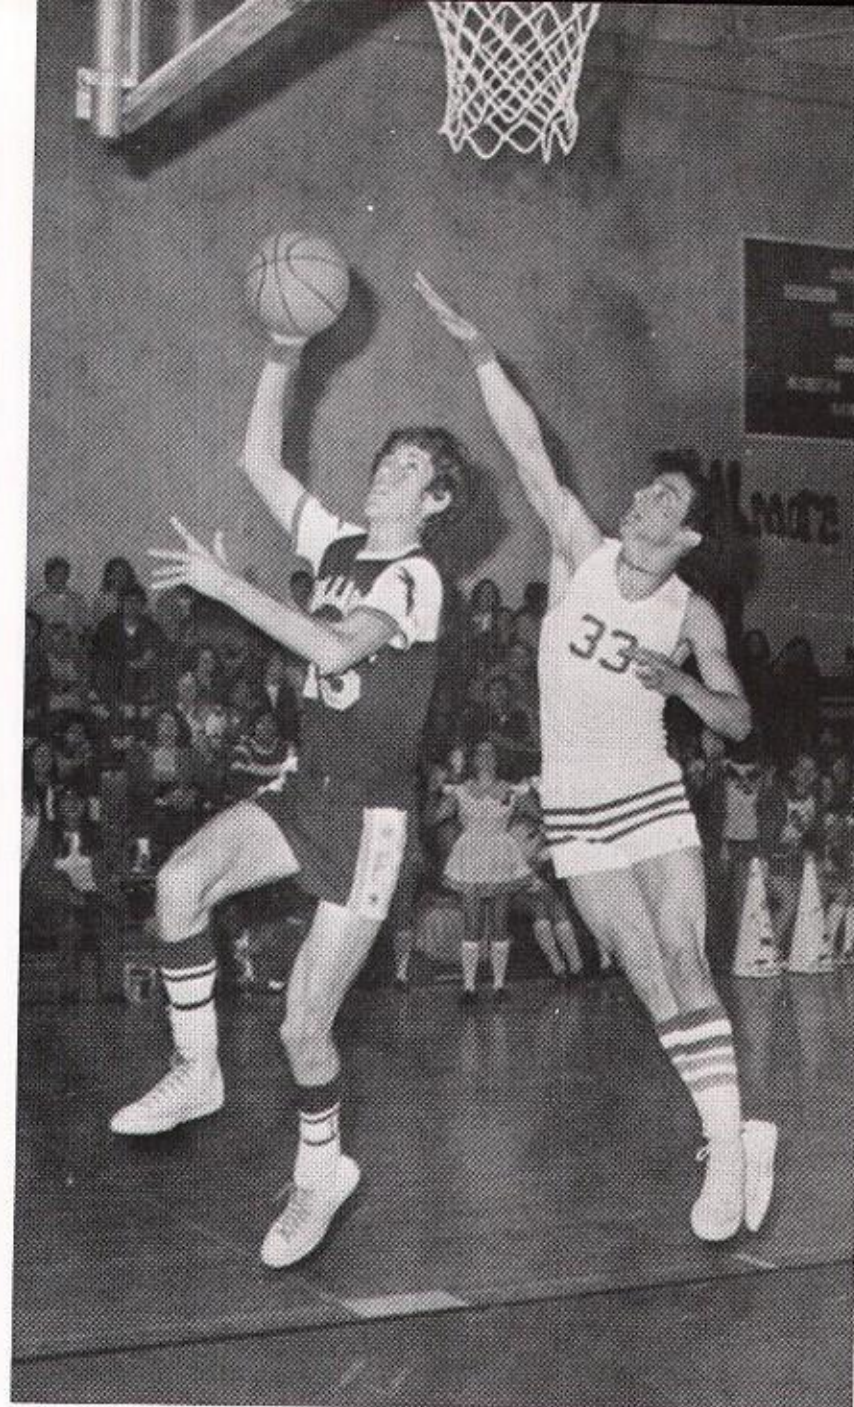

Grabs Part of Tri-Valley Crown

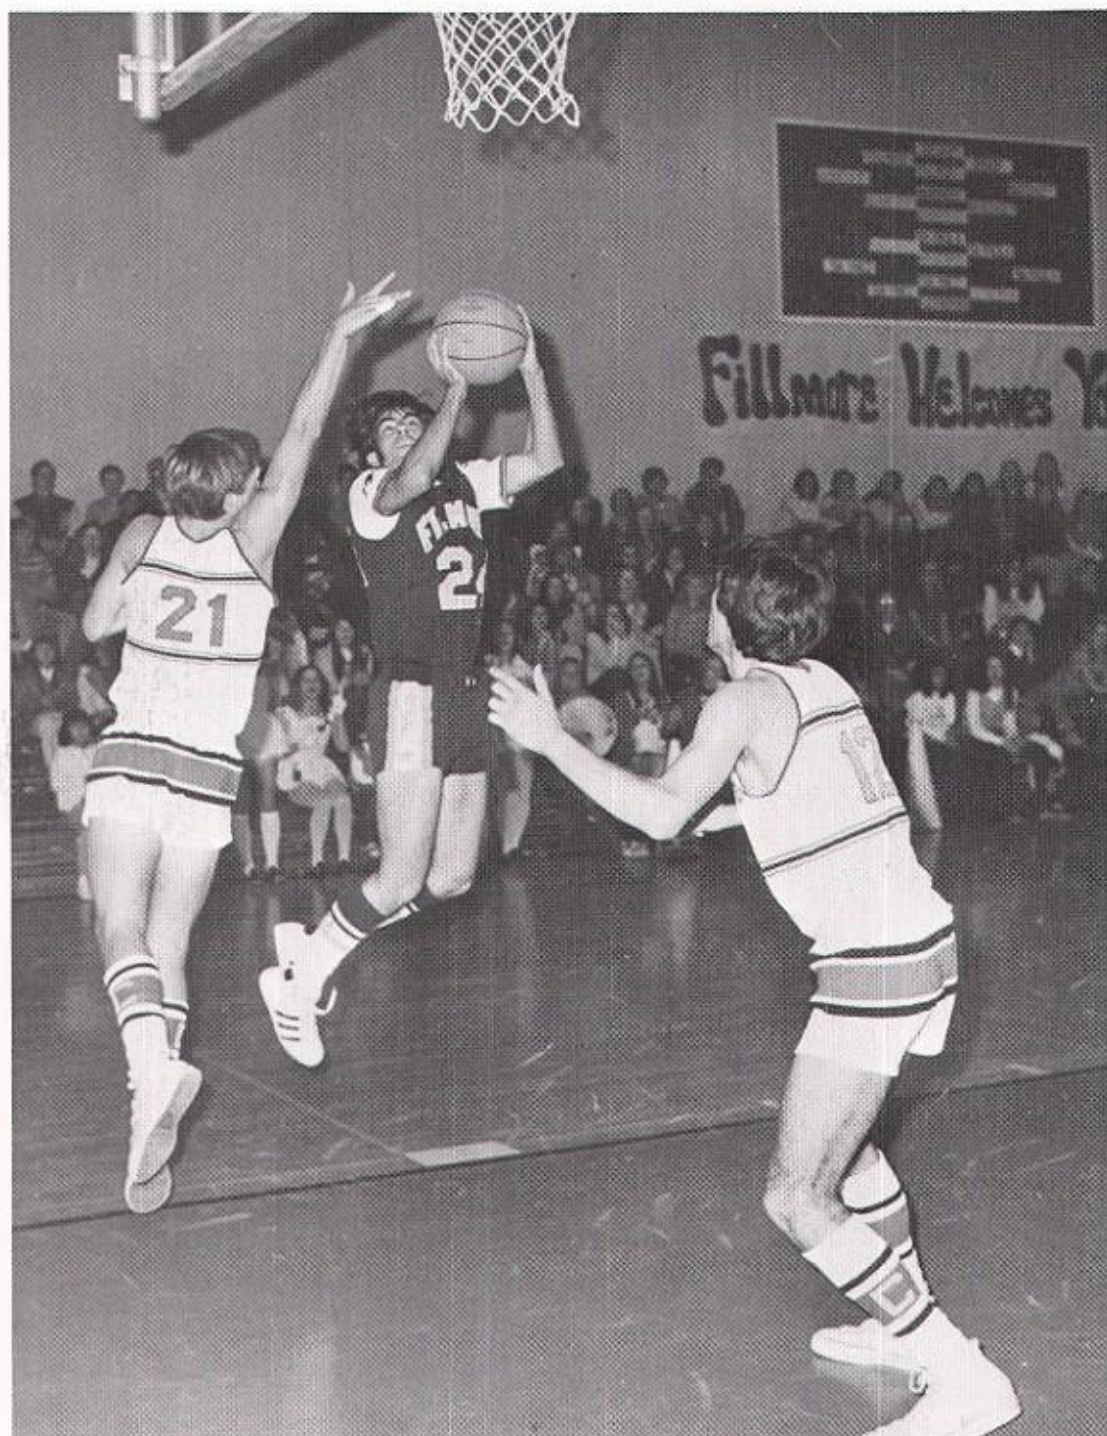

After a slow start due to injuries and a late turnout of football players, the flashes came on hard in league play to tie for the Tri-Valley championship with a 12-3 record. Going into the C.I.F. playoffs the flashes dumped Thatcher and Lone Pine before bowing to a tough Bishop squad in the quarter finals.

The key to the teams success was tough defense and a balanced scoring attack. Seniors Eric Grove, Tim Aguirre, and Leslie Jones provided necessary experience for the first five while Juniors Felipe Enriquez and Jeff King came on strong late in the season to provide team momentum. Trying harder

This year as Sophomores, the Class of 1975 has displayed a winning spirit and drive to make our Sophomore year a successful one. We have demonstrated our enthusiasm in everything we have done throughout the year. We know that our class members will continue to participate in social and athletic activities at Fillmore High, now and during the years to come.

I would like to thank my fellow classmates for their support at rallies, games, dances, and the building of our homecoming float. I also would like to thank Mr. Ball and others who guided and helped us through a great year.

Juniors

Next in line

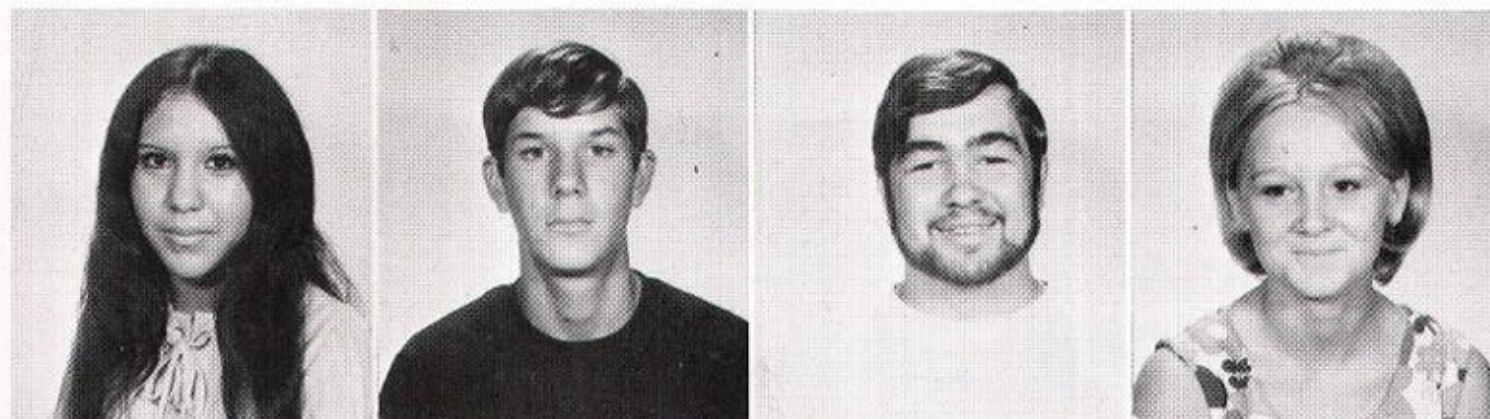

During my year as president of the Junior Class, I have seen more and more involvement of my fellow classmates. The Class of '74 has again shown the spirit and enthusiasm of our Homecoming float, our fund raising activities and especially, the success of the Junior-Senior Prom. The year was an active one and I was truly confident of the organization and participation with which the class worked.

I would like to thank Mr. Cook for his advice and support and look ahead to our Senior year.

Watch the Year Go by

We, the class of '73, are at the end of four years of work, fun, and hardships. But the hardest part of our lives is still before us, and we hope that these past four years will be of use as we progress forward into the life ahead.

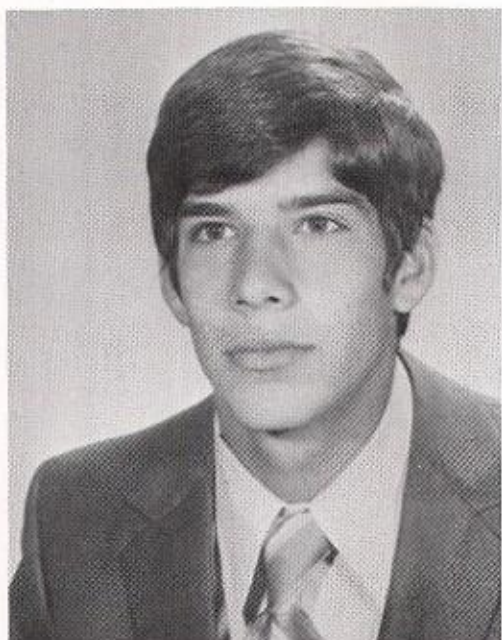

Fillmore High will not be easily forgotten, and the memories it holds for us will long be remembered.

Farewell from the class of '73.

Add a foreign flair

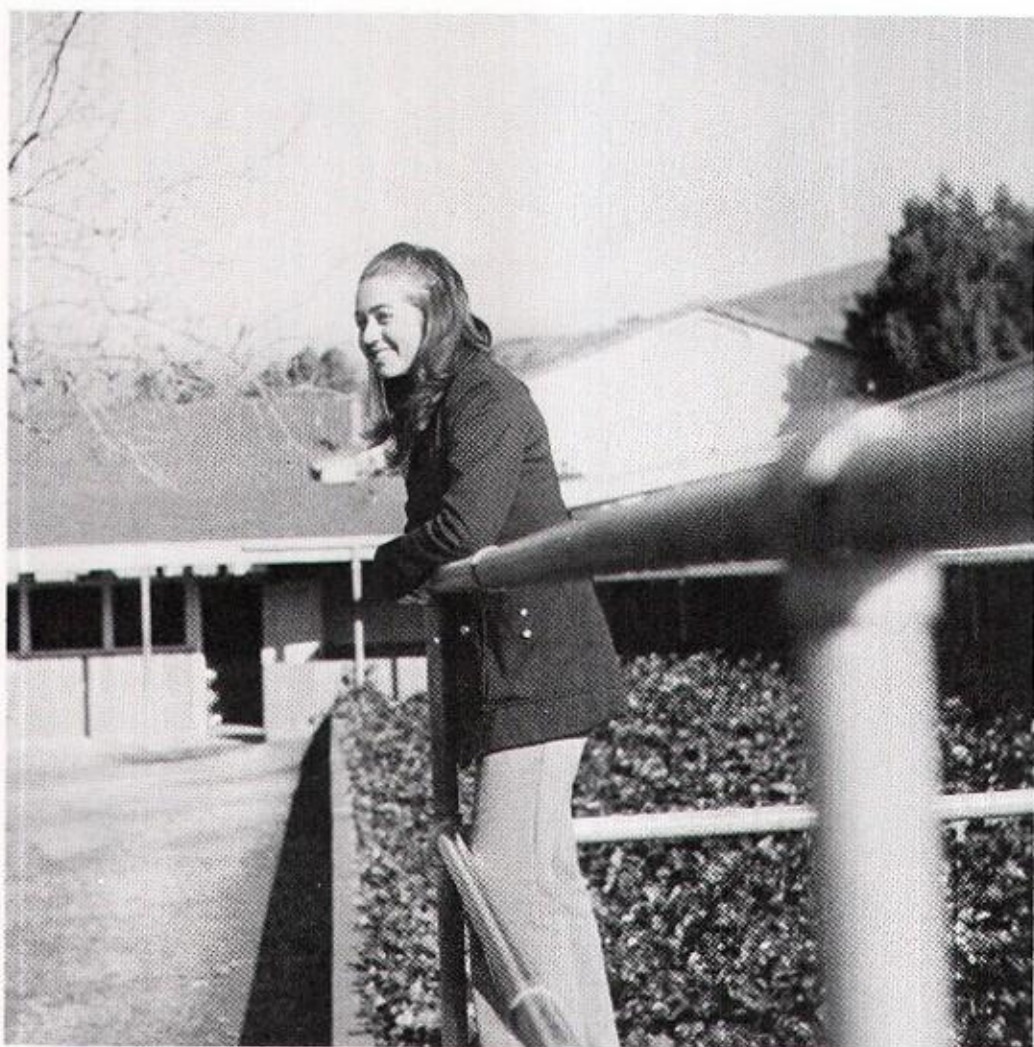

When I applied for AFS, I expected a year abroad would be an enriching experience and it is great.

First, I had to get used to this hot weather - I come from the Alps in France with high mountains - so to discover golden California was quite a change. Another enjoyable adjustment was meeting, and getting used to, all of you welcoming people of Fillmore.

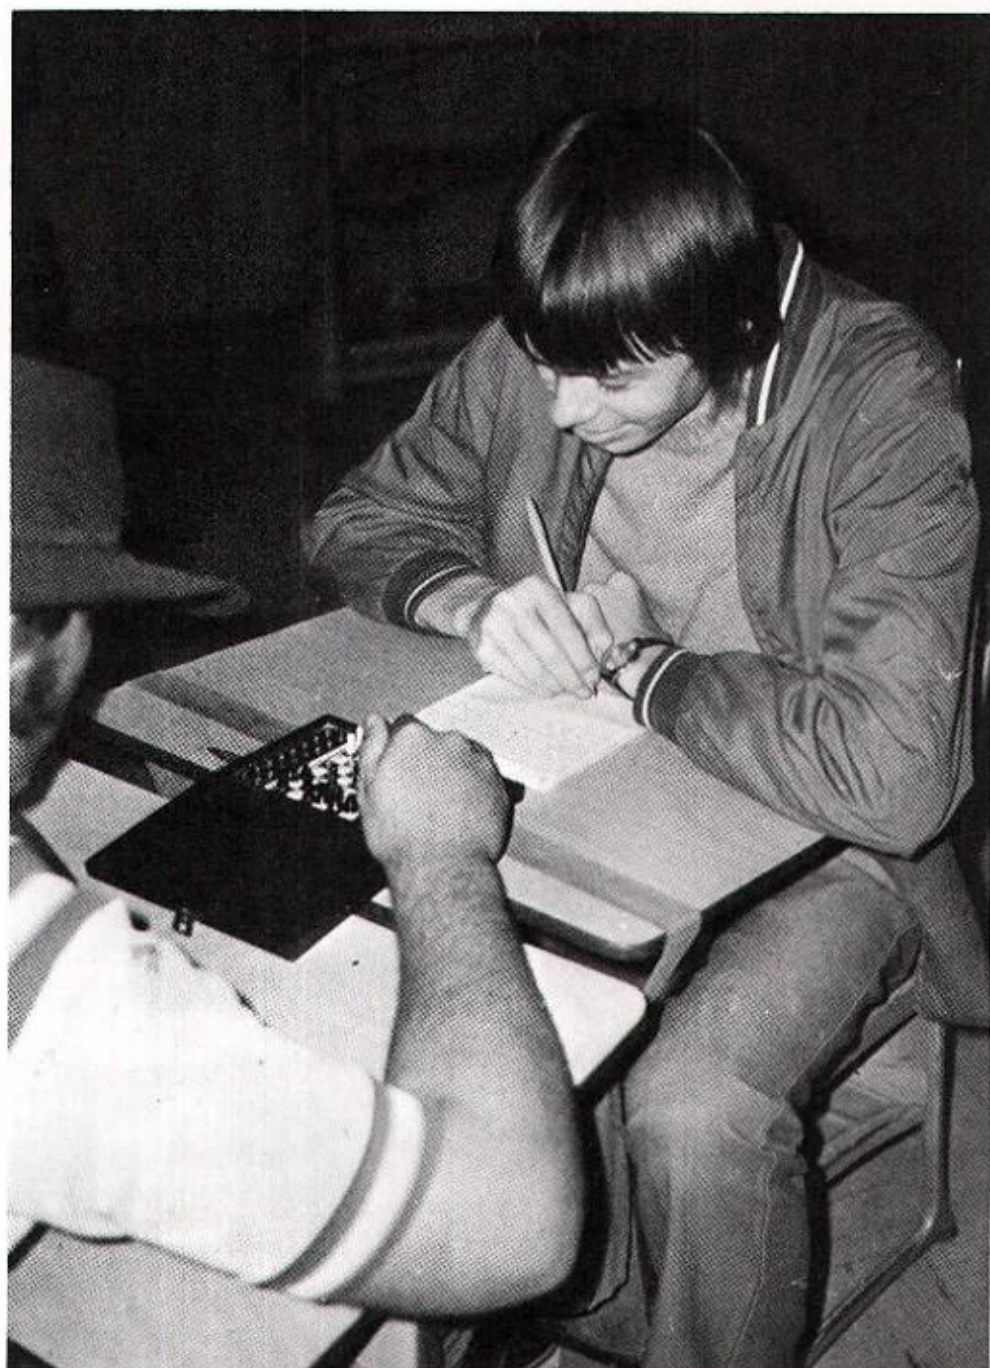

Fillmore High School means a lot to me. I think the system is very good because it allows the students to participate in making decisions. I enjoyed very much all the activities, such as working on the Homecoming float, the Christmas pageant and going to all the football and basketball games. Although many people say Fillmore has no school spirit, I think the athletics create real school spirit, at least compared to my school in France.

I was very happy to share new family relationships and new friendships. I know it will be very difficult to leave all of you - I'll miss you very much.

My name is Per Nielsen and I was one of the AFS students for '72-73, from Denmark, in this school. I do not get credit for this year when I go home, but I do not think I have lost anything because this has been a very big experience for me. When I go home, I will continue in the eleventh grade, and after three years, I can go to the university, so I still have a long way to go. I have had a very good year here, where I met a lot of people. Many asked me if I would prefer Denmark or the United States to live in. The answer is: I am a Dane and will always be. It was very interesting to see the difference between Denmark and the USA. It was not what I had expected. I have, of course, seen only a very small piece of the USA, but I liked it here. I will never forget this year.

Once upon a time in the village of Fillmore there was a prison by the name of Fillmore Junior High.

Warden Sullivan was always having trouble with fights in the parking lot. (top) Hey, is Patty picking a fight with Joey?

Maybe these boys did benefit from all those trips to the library. Obviously they read The Great Escape. Good luck guys! (below)

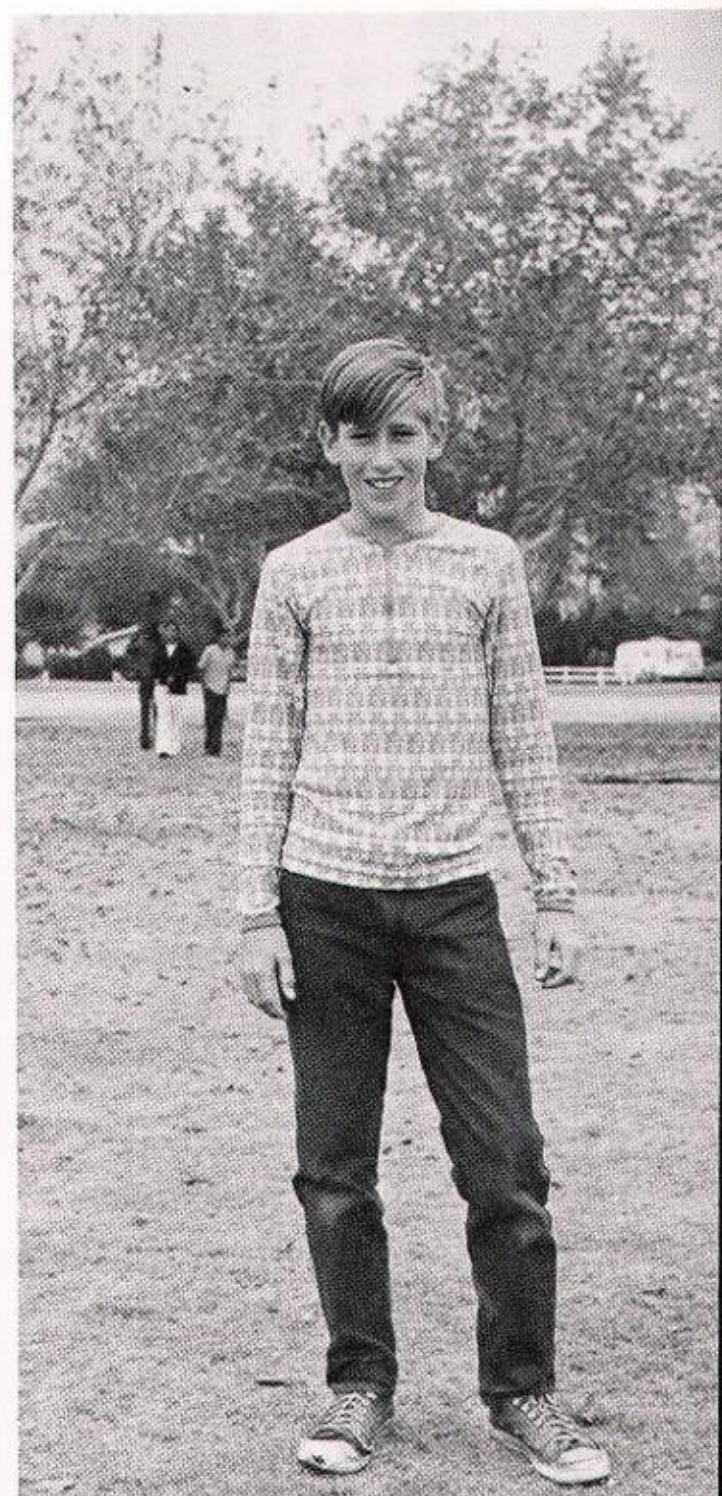

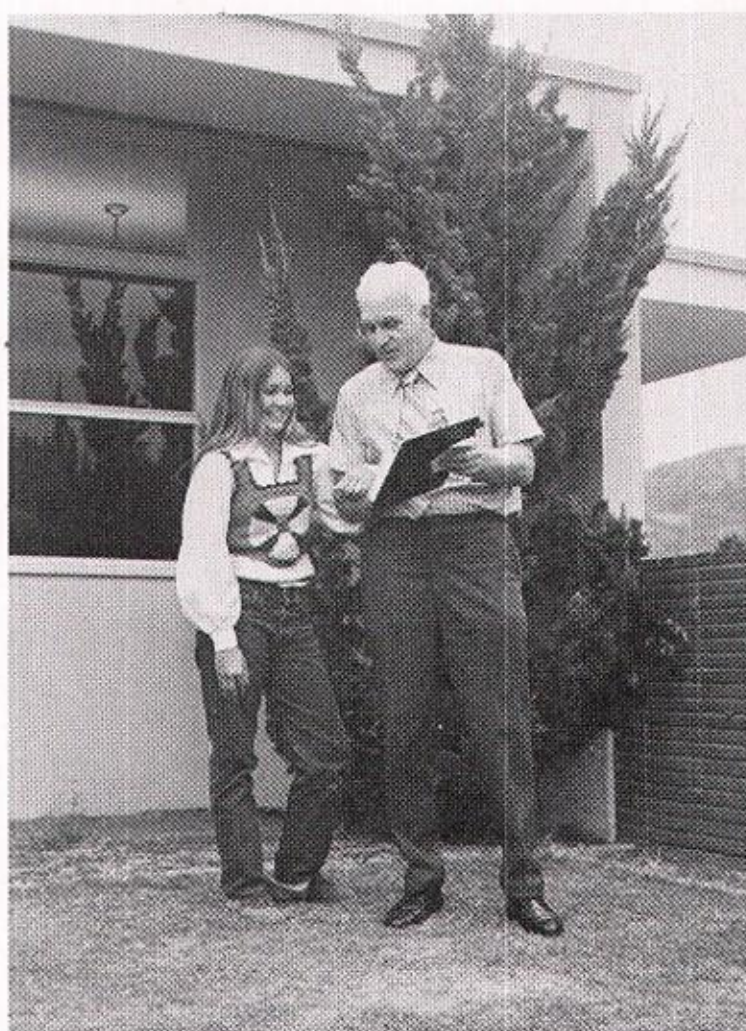

Officer Bigham was constantly complaining about the extracurricular activities on "okie hill." C'mon guys give him a break. (center)

Through the tears and years Warden Sullivan has managed to keep everything under control. We salute you!

Get's down to basics

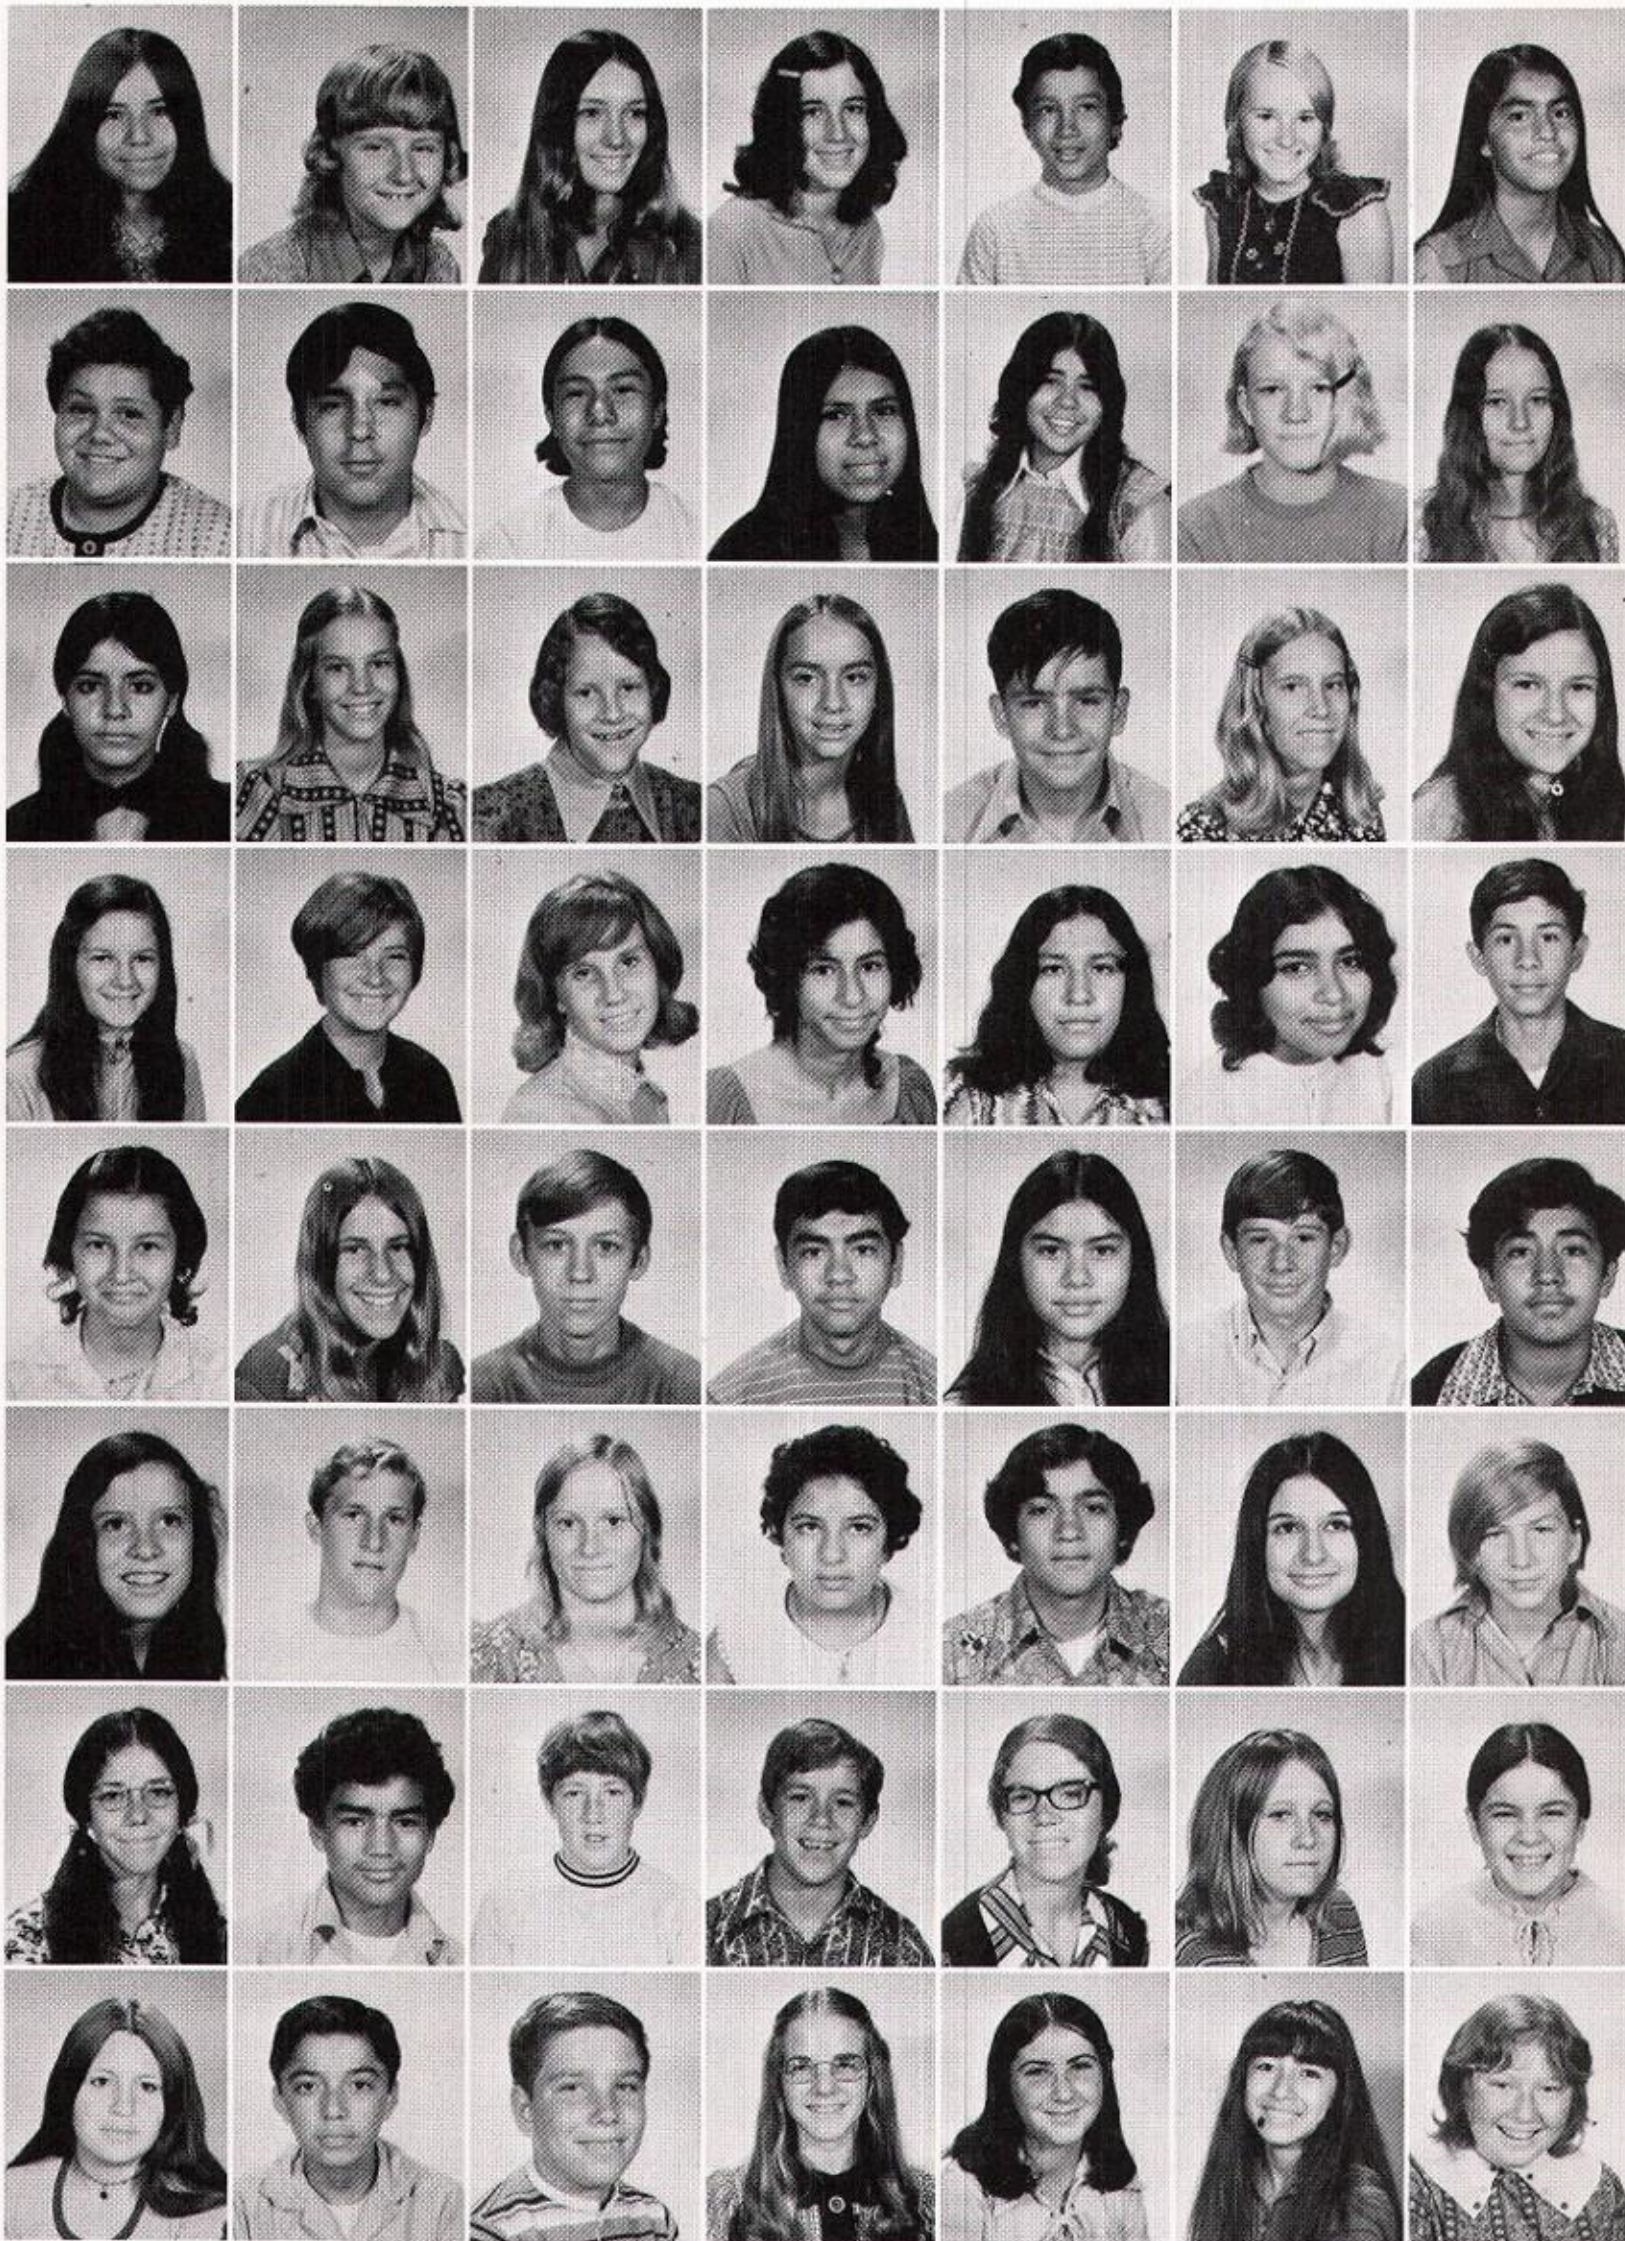

These last years I feel that the class of '77 has learned the responsibilities that there are to be met as we grow up in this world. We've prepared to meet the problems that we are going to have to face. We would like to thank Mr. Bigham, Mr. Sullivan, and teachers for their help in our work.

History repeated itself at the 1966 Ventura County Fair when Wayne Suttle, sophomore member of the Fillmore Future Farmers of America, exhibited a champion lamb to the FFA. It was selected as the champion of the entire Torrez division. Three years ago Suttle's uncle, Larry Suttle, was in Vietnam on duty, and the FFA champion lamb was the beef showman.

Results of the sheep show: Bob Vosz, Dan Michel placed equally, Wayne Suttle 2nd, Wayne Mumm 5th, John Ortiz 8th, Ed Moehl 7th, Scott Ottosen 10th, and Brad Sanchez 11th. Bob Mumm was the beef showman.

The 1972 Fillmore High school football season ended on a sad note last Friday night as the 28 players and three coaches made the season the latest in Fillmore football history.
